## Richardson Website/Hot Lunch Program

In a continued effort to go green and improve communication for our Richardson families, RPAC will be maintaining the hotlunches.net website. Not only does this reduce our paper and photocopying costs, but it also provides everyone with a great way to communicate and share events. Hot lunches will be ordered online using a family account. This website also has the added feature of paying with Paypal.

Please follow the instructions below to register:

1. Go to [richardson.hotlunches.net](http://richardson.hotlunches.net)
2. Click the "REGISTER" menu at the top right hand corner to sign up. Our ACCESS CODE is "RPAC"
3. Enter your name, email address and phone, then a user id that you will use for access to the hot lunches application. Enter a password and then enter it again to verify that it is correct.
4. Once registered, you can immediately access the website
5. You can now add your child(ren) by clicking on the "STUDENTS" button below **OR** by selecting "Add Students" located in the "PROFILE" menu tab at the top of the page. At this point, you must also select the class/teacher so that you can be added to that class list.

(Class lists are only available to the parents of children in that particular class. You cannot view a class list unless you have a child in that class.)

***IT'S THAT EASY!***

**Even if your child is not participating in hot lunch, we encourage you to register so that you are able to view important school dates on the calendar, access workshop and event information and receive emails and reminders.**
